Tom and Rita,  
UCSF would like to return \$40,000 worth of products sold by Myrick. I have asked Rob Chase and Steve Mehl to work on salvaging this customer. We should hold back any commission or other payments for Myrick Tantiado until this matter is resolved.

Rob,

Attached is the email from UCSF.

Sales needs to call this account. While the 'evaluation' is extended, there is no reference to the unconditional guarantee.

Separately, I have arranged for Clough Trucking to pick up the two SurgASSIST equipment.

Hi Alice,

I have not heard back from Myrick regarding this e-mail. All of these supplies were shipped over 60 days ago. We are asking for full credit because UCSF and Power Medical mutually agreed to extend the evaluation period beyond the 60 day agreement. Furthermore, ever since UCSF ended the evaluation in February, Myrick has either been unresponsive or an obstacle in getting these items returned.

Thanks,

Brian D. Leonard
